

Ten Little Eggs

by Shelley Lovett

Put the egg basket on the felt board and sing the following song. Put one egg at a time for each number in the song. You can use the plane eggs or the ones with the numbers on them.

1 little, 2 little, 3 little eggs...
4 little, 5 little, 6 little eggs...
7 little, 8 little, 9 little eggs...
10 little eggs in the basket.
