

Apple Alphabet Pattern Mats

www.childcareland.com

Instructions: Print on cardstock or index paper. Cut out mats and cut out individual squares which are located on the bottom of each page. Laminate. You can punch wholes at the top left and top right of mats and attach book rings. Children place the correct matching square on the mats.

You can have children match upper case to lower case letters ... lower case to upper case ... upper case to upper case and lower case to lower case letters.

The End!!
