Baby Animal Name Tags

Instructions: Print on cardstock paper ... cut out and laminate. You can use these for name tags ... locker tags ... cubby tags ... desk tags ... attendance cards etc.

I have made these editable so you can write your own names in the blank spaces. You must open the file in adobe reader in order to write the names. To see how to change the font and size please see the video below:

*If you want to handwrite the names just print the cards. The blue in the text area will not print blue.
