

Can You Put The
Butterflies In Order
From A to Z?

Butterfly Letter Sequence

Instructions: Print on cardstock ... cut out laminate. Lay the title butterfly on the floor or table and have the children put the butterflies in alphabetical order next to the title butterfly. If you make two copies of the butterflies you can then have the children put the second set of butterflies on top of the matching butterflies. You can do an upper to upper ... upper to lower ... lower to lower match.
