

## Daisy Number Train

Instructions: Print on cardstock .... cut out and laminate. Arrange cars in order. Put the matching Daisy on the correct train. Store in a zip lock bag.

I've also included blank Daisies that can be used as counters.

A white flower-shaped outline with a scalloped edge and a central circle containing the number 1.

1

A white flower-shaped outline with a scalloped edge and a central circle containing the number 2.
