# Ghost Letter Match

Instructions: Print on cardstock paper. You can either leave the ghosts on the mat or cut them out and glue them on a black or purple color of cardstock paper. Laminate mat. Cut letter circles out and laminate. I attach self-adhesive magnets on the back of the letter circles so children can do the activity on a metal tray. Children put a letter on the blank circle of the ghost on the left side and find the matching letter and put it on the blank circle of the ghost on the right. Play continues until all letters have been matched.
