Ice Cream Cone Number Board Game

Assembly Instructions: Print game boards and glue inside a file folder. Print game cards... cut out and laminate individual cards.

You will need game tokens which can be anything that fits in the game section.... lacing beads and counters work great!!

For more of a challenge make two sets of game cards and leave only one number 20.

Directions: Draw Cards and Move Game Piece To Number Indicated On Card. Player Wins When The Number 20 Card Is Drawn.
