Jelly Bean Jar Number Match

Instructions: Print on cardstock paper ... cut out and laminate. Children put the correct matching circle in the blank circle on each jelly bean jar. You can also use velco or magnets in the blank circles and on the back of the loose circles. You can punch a hole at the top of each jar and attach a book ring to make a ring book. You can make a book by printing and laminating the pages and binding them together. Use your imagination and have fun!!
