Paint Brush Two Letter Sight Word Puzzles

Instructions: Print on cardstock ... cut along dashed lines and laminate. These can be used on the floor ... table .. feltboard ... pocket chart ... magnet board etc. I have also included a puzzle mat. You can stick a piece of velcro on the back of each paint brush half on the puzzle mat or you can just set the matching paint brush halves inside the paint brush outline on the mat.

I have also included sight word cards of the sight words that are on the paint brush puzzles. These can be used as guides for children completing the puzzle. Put one of the sight word cards on mat (or floor ... table etc.) and children spell the word that is on the card by putting the two paint brush halves together.
