Sea Shell Alphabet Match Book

Instructions: Print sea shell cards on paper and cut out. Print letter circles on cardstock paper and cut out. Glue sea shell cards (4 per page) on colored cardstock paper ... either in order or out of order. Laminate book pages and bind together. If you do not have a binding machine or do not live near an office supply store such as staples you can just use the pages as matching mats. Laminate letter circles. Attach velcro to the blank circles on each page and on the back of the letter circles. Children place the correct letter circle on the blank circles in the book.
