Sea Shell Shapes

Instructions: You can make file folder games with the single shape sea shells or the double shape sea shells or a combination of them both.

Print out the sea shells that go inside the file folder game on regular paper... cut out and glue inside of a file folder. Print the loose sea shells (the ones you match to the pieces on the file folder) on cardstock paper. Cut out and laminate. Store loose pieces in a zip lock bag and place inside file folder game.
